LUNGNSPEI

Who are we?

LungNSPEI is a charitable health organization dedicated to improving quality of life by preventing and managing lung disease through advocacy, patient services, education & research for Islanders and Nova Scotians.

The Cause

LungNSPEI works to support the 1 in 5 Islanders living with lung disease through education, advocacy, and local programs that make a difference. Funds raised through the Links Fore Lungs Golf Tournament help support vital initiatives like our Sleep Apnea Refurbishment Program, Pediatric Respiratory Equipment Fund, radon awareness campaigns, youth vaping prevention and more—ensuring Islanders can breathe a little easier. Vist lungnspei.ca for more information.

The Event

The Links Fore Lungs Golf Tournament is LungNSPEI's signature annual fundraiser in PEI. The tournament brings together golfers, community partners, and sponsors for a fun-filled day on the green in support of local lung health initiatives. Held each fall at Fox Meadow Golf Course, the event features exciting contests, great food, and meaningful impact—with all proceeds staying on Prince Edward Island.
